IN MEMORIAM

Richard Farris will always be remembered and loved by those who knew him.

TO THE SENIORS OF '77 —

YOUTH

We have tomorrow
Bright before us
Like a flame.

Yesterday
A night-gone thing,
A sun-down name.

And dawn-today
Broad arch above the road we came.

We march!

Here David stands in the greenery modeling his two-piece jump suit which can be worn to summer school, parties, or even concerts. This burnt orange jumpsuit with a matching jacket was very simple to make, he said. The material is a comfortable gabardine with contrasting stitching. He prefers to wear this outfit with a shirt although some fellas would go without one. Very nice!

FACES AT EHS

THE MANY FACES OF RICHARD PRYOR!

In his latest movie, "Which Way Is Up?" this comedian plays Leroy Jones (left), a farmworker; Rufus Jones (center), the witty father of Leroy; and Rev. Lenox Thomas (right), a fire-breathing preacher. Don't miss scenes from this film in our coming issues of Right On! Magazine!!!

Stan Shaw—"My first big break came when I was singing in the Chicago summer musical street theatre. Some agents were going around the neighborhood looking for talent and after they saw me perform they asked me if I wanted to be in the Chicago production of 'Hair.' That was my first big role."

Jim Kelly—Had a reputation for being an outstanding karate expert and was hired as a technical advisor for the karate segments in the movie, "Melinda." One of the producers was impressed with Jim's charisma and natural star quality and gave him a bit part. Jim did so well that the part was expanded. The public took notice and he was an instant star.
